**Governor Janet Napolitano's  
Water Listening Sessions**

You are invited to join me, Herb Guenther, Director of the Arizona Department of Water Resources (ADWR), and water professionals from around the State in Water Listening Sessions. The purpose of these Sessions is to provide an additional opportunity for comment on the Drought Task Force Report and on other water issues of interest. For your convenience, we will hold Sessions in the Phoenix area, Tucson and Flagstaff.

In preparation for the Sessions, you may go to the ADWR website, [www.water.az.gov](http://www.water.az.gov), for information on a number of key water issues. The ADWR website also provides links to other government and non-government websites that may be of interest.

The Sessions will begin with an open house and have information stations to provide you with background material on drought, conservation and other water issues. We then will provide participants with an opportunity to comment on issues of interest. **The Phoenix area Listening Session is scheduled for:**

Wednesday, November 17  
5:30 p.m. to 7:00 p.m.  
Scottsdale Community College  
Performing Arts Center  
9000 East Chaparral Road  
Scottsdale, Arizona

More information on the Tucson (December 14) and Flagstaff (December 16) Sessions will be provided once the locations are finalized. To assure that we have adequate facilities, please go to [www.azgovernor.gov](http://www.azgovernor.gov) by November 10th, and indicate which Session you would like to attend. Information on the Sessions will be posted under "What's New". Your assistance is greatly appreciated. If you have questions or are in need of special accommodations, please contact Geri Davis at (602) 542-1361 or Pat Hill at (602) 417-2400 ext. 7455.

I look forward to working with you to secure our water supply and our future.

Very truly yours,  
Janet Napolitano  
Governor
